Implement the ILO Recommendation on  
HIV and AIDS (No. 200)

International  
Labour  
Organization

**The Global Fund**  
To Fight AIDS, Tuberculosis and Malaria

“ We need to support programs that get **health workers** to reach the people who need prevention, care and treatment. We know how to do it. But we have to work together to succeed. ”

**Mark Dybul**

Executive Director, The Global Fund to Fight  
AIDS, Tuberculosis and Malaria
