Outputs of the Project with Particular Reference to Child Labour Legal Frame work

- National Tripartite Training on International Labour Standards (ILS) Constitutional Obligation with a Special Focus on Reporting on Child Labour Conventions
- Training of Labour Inspectors and other Key Enforcement Partners on Child labour Monitoring
Future Plans for the Fight against Child Labour

- Finalize the list of hazardous work for children under 18 yrs
- Mainstream Child Labour concerns into National development policies, child protection strategies and Education
- Support national partners’ efforts to keep the momentum and eliminate WFCL by 2016
- Support the domestication of ILO Conventions 138 and 182 into national child labour laws
- Continued support for the prevention and withdrawal of children from child labour through direct action programmes
- Ratification of Convention 189 on Domestic work
Active involvement of the Ministry of Labour, especially coordination of the National Technical Steering Committee on Child Labour

Training of Child Welfare Committees and their active involvement in the implementation of the project. This ensures sustainability of support at community level. They could easily identify, support, and refer cases of child labour to other relevant authorities.

NTSC reviewing its scope to provide support to all child labour related projects in Sierra Leone, not just TACKLE
National Submission/Recommendations

As a country, we acknowledge the importance of TACKLE and kindly request for a second phase of the project with a wider coverage in order to enable us achieve the following:

- Finalization and implementation of the NAP
- Domestification of Child Labour Conventions into National Laws
- Further Strengthening of National Structures for sustainability of interventions

- Reach out to more children and families, with possibility of Income Generation Activity support in order to effectively transform the socio-economic lives of most vulnerable families
