PPPs: the role of foundations

The ILO and:

- The Mastercard Foundation continue to build on their existing, multi-year partnership with YouthSTATS — a new, regularly updated database on youth in the labour market.
- The Ford Foundation are enhancing understanding of and access to government insurance services for farmers and farm workers in India and supporting evidence-based policy-making for the labour market participation of Syrian refugees in Jordan.
- The Bill & Melinda Gates Foundation are assessing and reinforcing the Employees’ State Insurance Scheme (ESIS) of India to improve access to healthcare services.
- The Prudential Foundation (“PFI Foundation”) are strengthening the resilience of low-income populations in Asia and Latin America to risk through the ILO’s Impact Insurance Facility and other activities.
