|         | <ul style="list-style-type: none"> <li>• <b>Two short animated stories:</b> 3.1- Animated story will highlight the possible impact of COVID-19 as they might turn to be child labourers and possible options to pursue to protect children from being engaged in child labour.<br/>3.2- Animated story will show the hazards that a child could be introduced to if engaged in child labour unlike the case if joined a community school.</li> <li>• <b>Combat Child Labour Your Way video:</b> With a planned script from ILO ACCEL Team, ILO staff and social partners to advocate for eliminating child labour in a video.</li> <li>• <b>Documentation of COVID-19 impact on child labour:</b> The rapid documentation of COVID-19 impact on child labour is already started with the view to documenting the prevention measures in place, consequences on child labourers or children at risk through a set of stories, videos, photos and testimonies.</li> <li>• <b>COVID-19 Precautionary Manual :</b> In coordination with MOM, with special focus on children and gender at work place; ACCEL Africa Project leads the development of COVID-19 Precautionary Procedural Manual at Work Place based on ILO and WHO publication on safe return to work and how to protect children from being engaged in child labour.</li> <li>• <b>COVID-19 Tele-Advisory/Advocacy Service:</b> On the sideline of the WDACL, starting May 2, 2020, together with MOM, ACCEL Project provides a tele-advisory service available on daily basis and lasts for 50 -60 minutes. It is facilitated by ILO OSH consultant with child labour experience in coordination with National OSH Inspector at MOM central level targeting 56 of 300 field OSH inspectors across Egypt of field inspectors so far over the course of 3 weeks.<br/>The tele-advisory services aim to promote occupational safety and health culture, address the precautionary measures to prevent covid-19, protect children at working age from risks in the workplace, unify concepts between various groups of field inspectors in the different governorates and exchange experiences on the occupational safety and health of workers and employers in the workplace. The Feedback from targeted inspectors was positive and they encouraged their colleagues to join the calls and were eager to find out more. MOM published a post on the tele-advisory calls on its official Facebook page on the following link: <a href="http://www.manpower.gov.eg/Krone.html">http://www.manpower.gov.eg/Krone.html</a>.</li> <li>• <b>TV Advocacy /Awareness campaign:</b> With national stakeholder, ILO ACCEL Africa plans to organize a briefed media campaign in the TV show to advocate for eliminating child labour, the WDACL, SAFEDAY and planned activities in this regard highlighting ACCEL Africa Project efforts to eliminate child labour.</li> <li>• <b>Enhancing reporting to ILO FPRW:</b> On the side-lines of the WDACL, ACCEL Africa started the discussions with MOM to enhance national reporting on ILO core conventions on Fundamental Principles and Rights at Work FPRW due September 2020.</li> </ul> |                |
