COVID-19 Policy

Singapore welcomes all travellers to Singapore regardless of COVID-19 vaccination status. Please see the relevant advisory on our VisitSingapore Website.

Fully vaccinated visitors

We welcome all fully vaccinated visitors* to Singapore. No entry approvals, pre-departure tests, on-arrival tests and quarantine required.

*Fully vaccinated and non-fully vaccinated children aged 12 and below by year of birth will be allowed to enter Singapore

Pre-departure checklist:

- Obtain proof of vaccination
- Secure tickets for any flight to Singapore
- 3 days before departure: Submit SG Arrival Card and e-health declaration via the official and free e-service on the Immigration & Checkpoints Authority (ICA) website

Non-fully vaccinated visitors

From 29 August 2022, non-fully vaccinated visitors will no longer be required to undergo a 7-day Stay Home Notice (SHN) upon arrival or take an exit SHN Polymerase Chain Reaction (PCR) Test.

Pre-departure checklist:

- Ensure you have travel insurance covering COVID-19, with at least $30,000 of medical coverage.
2 days before departure: Take a COVID-19 Polymerase Chain Reaction (PCR) or professionally-administered Antigen Rapid Test (ART)

Specifically to COVID-19 positive management, Singapore's Ministry of Health (MOH)'s Protocol 1-2-3 applies. Travellers who are tested positive are to self-isolate for at least 72 hours from time of result and may exit self-isolation upon fulfilling the following criteria:

1. If you test negative on a self-administered ART or

2. On Day 7 (if fully vaccinated or below 12 years old) OR Day 14 if unvaccinated/partially vaccinated and aged 12 and above) without a need to test, whichever earlier.

Please find the list of MOH-approved Telemedicine Provider following this link.
