THEORY OF CHANGE
VISION ZERO FUND
SHARED RESPONSIBILITY FOR SAFER SUPPLY CHAINS

VISION
Zero severe and fatal work related accidents, injuries and diseases in global supply chains (GSCs)

SPHERE OF INTEREST
Reduced exposure of women and men working in targeted GSCs to occupational safety and health (OSH) hazards at the workplace

SPHERE OF INFLUENCE
Global Stakeholders: Strengthened global, regional and national enabling environments for the promotion of safe and healthy working conditions in targeted GSCs
Governments: Improved legal and policy frameworks to promote and enforce OSH protection, prevention and compensation in targeted GSCs
Employers & Workers: More effective OSH prevention, protection and compensation mechanisms for women and men working in targeted GSCs

SPHERE OF CONTROL
Outputs
Main areas of activities
Stakeholder meetings & action plans
Research & knowledge sharing
OSH risk assessments
Capacity development
Occupational health services
Compensation mechanisms
Strategic compliance tools for labour inspectors

Outcomes
Improved coordination among academics, research and policy institutions on OSH knowledge
Enhanced industry-wide, commitment to improve compliance with OSH standards
Improved capacity of governments to collect and analyse data
Improved public capacity to promote and enforce OSH standards
Improved access of workers to compensation mechanisms
Empowerment of workers to engage in promotion of OSH
